

## Organic Botanical Dead Sea Bath Salts

Made in small batches for freshness, our Bath Salts are a harmonious fusion of Dead Sea Salts, Hawaiian Sea Salts, Epsom Salt, and Essential Oils that are hand-tossed with organic dried flowers.

Renowned for their therapeutic effects since ancient times, the waters of the Dead Sea contain 29% of various salts as compared to 4% in other sea water and are loaded with a sanative proportion of magnesium, potassium, calcium chloride and bromides.

Essential oils have been used for thousands of years for their powerful healing spiritually and emotionally uplifting properties.

“There must be quite a few things a hot bath won't cure, but I don't know many of them.”
