

Lip Polish

Your smile says so much about you, and as part of that smile, your lips do too. Give the right message by caring for your lips, making them smooth and supple, nourished and cared for with Nabila K exclusive lip polishes.

Gently exfoliating, these all natural elements combine with luxurious moisturizers to leave lips feeling smooth and supple. Lip colour and balms glide on flawlessly. Brown sugar, botanicals, and naturally occurring oils make up the wide range of Nabila K Lip Polishes.

Makes your lipstick last longer! Create the perfect canvas for your favourite lip colour.

Simply massage lip scrub onto moistened lips in gentle swirling motions, then rinse thoroughly with warm water.

Each of the ten lip polishes combines gentle, all natural exfoliants, with nourishing agents.

Vanquish chapped lips this season.

“When the lips are opened,
we behold the image of the soul.”
