

## Roll-on Perfume

Exclusively formulated for Nabila K, these naturally derived rollerball perfumes are perfect to take along in your handbag, stick in your desk at work, your gym bag or your luggage. These lightly scented floral and botanical perfumes mingle flawlessly with other products to create a one of a kind fragrance.

After all, perfume is your own personal signature, your slogan, your declaration of who you are and who you hope to be. Everyone has the ability to make their own story using the perfect scent...make it your very best with these timeless, classic fragrances.

Apply rollerball perfumes on the pulse points for maximum effect, starting on the inside of your wrists, behind your ears and the nape of your neck. Refresh mid-day, if desired, to experience the delicate and enchanting fragrance once again.

“Perfume is a story in odors,  
sometimes a poetry of memory.”

– Jean-Claude Ellena
