

Voyager's Garden Scarf Made in Italy

Adventure can be found everywhere; especially in curious, faraway destinations. Go on a beautiful journey with the new Nabila K Voyager's Garden Scarf.

Graceful and elegant, the Voyager's Garden Scarf is Italian-made with the finest quality materials. Set against a vintage map, bright and colorful images are inspired by the 1920's and 30's travel labels. Each unique flora artwork is drawn with its own individual travel background. Soft enough to wrap a baby in, the Voyager's Garden Scarf can be worn anywhere, year-round.

Material: Cashmere and modal-blend. Modal is a sustainably grown environmentally friendly fabric. The fibers were naturally extracted from a beech tree.

The ink used is free of harmful chemicals.

Dry clean. Dimensions: 56 x 56 inch (142.24 x 142.24 cm)
